

# THE MATHEMATICS STUDENT

A QUARTERLY DEDICATED TO THE SERVICE OF  
STUDENTS AND TEACHERS OF MATHEMATICS IN INDIA

Vol. XX  
1952

PUBLISHED BY  
THE INDIAN MATHEMATICAL SOCIETY

## CONTENTS

### PAPERS

- A. R. ANSARI and S. M. SHAH : A note on certain nilpotent matrices . . . . . 113
- N. BALASUBRAMANIAN : Some identities of operators and their applications . . . . . 74
- J. CLUNIE : An extension of quasi-monotone series . . . . . 107
- N. A. COURT : Orthological triangles . . . . . 51
- P. JHA : On curves having a given curve for the locus of the centre of spherical curvature . . . . . 115
- R. S. MISHRA : Hyper-asymptotic curves of a Riemannian hypersurface . . . . . 63
- C. T. RAJAGOPAL : A note on power series . . . . . 99
- S. M. SHAH and A. R. ANSARI : A note on certain nilpotent matrices . . . . . 113
- DALJIT SINGH : The numbers  $L(m, n)$  and their relations with prepared Bernoullian and Eulerian numbers . . . . . 66
- DALJIT SINGH : On the divisibility of Eulerian and prepared Bernoullian numbers by prime numbers . . . . . 71
- S. VISVANATHAN : On the use of auxiliary differential equations in orthogonal expansions . . . . . 58

### MATHEMATICAL NOTES

- RANI BALIAH : The general conic in oblique co-ordinates . . . . . 77
- A. A. GNANADOSS : Periodically recurring series . . . . . 119
- C. LAKSHMI BAI : The multiplication method of Ethiopians . . . . . 84
- S. PURUSHOTHAM : Principal axes and planes of a quadric for any number of dimensions . . . . . 80
- H. M. SENGUPTA : On a certain definite integral . . . . . 122
- U. R. SHANKARANARAYANA RAO : Testing for divisibility . . . . . 82

## SOLUTIONS TO QUESTIONS

M. S. R. Anjaneyulu, p. 91 ; Deba Brata Ghosh, p. 95 ; R. Gopalswamy, p. 94 ; Hansraj Gupta, p. 86 ; M. Lakshmanan, pp. 89, 92 ; P. N. Mukherjee p. 95 ; T. Narayana Moorthy, pp. 88, 90, 95 ; S. Parameswaran, pp. 86, 95 ; S. S. Subramanian, p. 94 ; R. Venkatachalam Iyer, p. 95 ; C. S. Venkataraman, p. 87.

## QUESTIONS FOR SOLUTION

Deba Brata Ghosh, p. 95 ; E. de St. Q. Isaacson, p. 95 ; V. Thébault p. 96.

## BOOK REVIEWS

R. P. Gillespie, p. 97 ; C. J. Keyser, p. 128 ; J. Ph. Kulik, L. Poletti and R. J. Porter, p. 128 ; D. K. Sen and V. B. Kamath, p. 129 ; J. Steiner, p. 129 ; V. Thébault, p. 97 ; André Weil, p. 125.

## NEWS AND NOTICES pp. 98, 133

## • REPORTS OF MEETINGS AND MISCELLANEOUS ARTICLES

Proceedings of the Seventeenth Conference of the Indian Mathematical Society, pp. 1-46 ; Report of the Eighteenth Conference of the Indian Mathematical Society, pp. 143-181 ; M. H. Stone : The International Mathematical Union and its work, pp. 47-50.
